HALO MODEL

Our Methodology

RUNWAY TECHNIQUE

Using the latest techniques of commercial and fashion professionals, members develop the proper technique to parade the runway.

CONCEPT PRODUCTION

The industry requires a full package that entails charisma and confidence. Our models learn these traits by acquiring the tools and knowledge necessary to craft "your own style".

SHOWMANSHIP

Course work includes Television Presence & Public Speaking. Models are evaluated and critiqued through observations on-camera.

CAREER DIMENSIONS

Special emphasis is also placed on interpersonal relations covering casting protocol, business and social etiquette.
